SUBMISSION OF ISSUE/OPTION/RECOMMENDATION PACKAGE TO NSC

NSC review completed

The three points which do not directly apply to the issues of the PRM --

- Should the new Order establish procedures and standards for providing classified information to the Legislative and/or Judicial Branches of the Government?
- Should the new Order establish procedures and standards for providing U.S. classified information to foreign governments?
- Should the Order require standardization of certain administrative matters such as cover sheets, forms, and accountability?
